

Life THE BLESSED Groups

Life is all about choices, and where you are today is a result of the choices you made yesterday. There is so much more to life than merely floating along without direction, and the simple choices you make every single day make a difference. You can choose to have the life you've always dreamed of.

*Join us in this curriculum study based on Pastor Robert Morris' bestselling book, *The Blessed Life*. This group study will change every area of your life: marriage, family, health and relationships.*
